Lower links fold inward diagonally

Absolute ground clearance

Front Linkage:

- ▶ Robust and sophisticated design conceived for the heaviest of accessory equipment and long operating hours
- ▶ Optimally adapted and designed to integrate with your CASE-IH / STEYR – tractor
- ▶ Highly stable due to frame up to clutch housing
- ▶ Steering angle and ground clearance completely maintained
- ▶ Lower links standardly equipped with Walterscheid link hooks
- ▶ Stable and warp resistant lifting frame – lower links are serially foldable up (without tools) and removable
- ▶ Enhanced float adapter for the best ground adjustment of your front equipment – can be locked without tools
- ▶ All bearings and pivots can be greased
- ▶ Cylinders with hardened and hard-chrome plated piston rods
- ▶ Standard shunt coupling and spindle top link
- ▶ Simple, quick assembly

Stable frame up to clutch housing – Uninhibited front axle oscillation and steering angle

Front PTO:

- ▶ Completely in your tractor integrated unit
- ▶ Designed for the heaviest of long-term loads – transfer of full motor power is easily possible
- ▶ Hydraulic front PTO clutch for a smooth and gentle start-up of your front-end implements
- ▶ Switch –on and –off by a push-button
- ▶ PTO shaft can be manually turned for easy coupling
- ▶ Simple, quick assembly – front PTO can also be retrofitted without any problems

Front Linkage and PTO is a compact unit

Accessories:

- ▶ Quick coupling triangle cat. 2 with upper role
- ▶ Front Linkage remote control (only with electr. control unit)
- ▶ Hydraulic accumulator
- ▶ Multivalve: double acting – single acting – locked (transport protection)
- ▶ Brackets for mower relief springs
- ▶ Additional hydraulic connections in front
