

# Coupling & Uncoupling

FROM THE SAFETY OF THE  
**DRIVERS SEAT!**

*Thirty years ago that was a vision.  
Now that has since become reality  
thanks to Walterscheid*

The **WALTERSCHEID TRACTOR ATTACHMENT SYSTEM (TAS)** has radically changed farming, and is today part of the standard equipment used by all leading tractor manufacturers.

Upgrade your tractor with the system that now includes a broader range of products that include LOWER LINK HOOKS and STABILISERS, HYDRAULIC and MANUAL TOP LINKS.

The **WALTERSCHEID TRACTOR ATTACHMENT SYSTEM (TAS)** provides maximum operator safety, quick and effortless connection with the flexibility and choice of a range of TOP LINK SYSTEMS.

For further information and detailed brochure contact your local AG dealer or call **WALTERSCHEID** on (03) 9580 7300 today!
